Unused, non-plant items (pots, tools, bottles, accessories) can be returned within 7 days of delivery in their original condition. Live plants cannot be returned because they are perishable; plants that arrive damaged or unhealthy are covered by the Damaged Products policy instead. Customers pay return shipping unless the item arrived damaged or incorrect. Exchanges follow the same 7-day window and are subject to stock.

Key facts

- Window: 7 days from delivery

2. Bloom Botanics Refund Policy

Refunds are available when a return or damage claim is made within 7 days of delivery. Requests made after 7 days are not eligible for a standard refund; our support team may review exceptional cases individually, but no refund can be promised in advance.

- Window: 7 days from delivery
- Requests outside the standard window may be reviewed individually (no guaranteed outcome)

4. Bloom Botanics Cancellation Policy

Cancellation Policy · version 1 · updated 2026-10-24

- Cancellable until status: Processing

5. Bloom Botanics Damaged Items Policy

Damaged Products · version 28 · updated 2026-10-24

If an item or plant arrives damaged, please report it within 48 hours of delivery and include a clear photo of the damage and the packaging. Damage reported after 48 hours is reviewed case by case and a replacement or refund cannot be guaranteed.

Key facts

- Report within: 48 hours of delivery
- Photo evidence required
- Requests outside the standard window may be reviewed individually (no guaranteed outcome)

6. Bloom Botanics Missing Items Policy

Missing Products · version 1 · updated 2026-10-24

If something is missing from your parcel, contact us within 7 days of delivery with your order number. We will check the packing record and either send the missing item or refund its value. Please keep the original packaging until the case is resolved.

7. Bloom Botanics Delivery Problems

Delivery Problems · version 1 · updated 2026-10-24

If tracking shows delivered but the parcel has not arrived, wait 24 hours and check with neighbours and any safe places. If it still has not turned up, contact us within 5 days of the delivery scan and we will open a carrier investigation and resend or refund the order once the investigation concludes.

8. Bloom Botanics Warranty

Warranty · version 1 · updated 2026-10-24

Ceramic planters and glass bottles carry a 6-month warranty against manufacturing defects. The warranty does not cover accidental breakage, misuse or normal wear. Live plants are not covered by the warranty.

9. Bloom Botanics FAQ: Plant arrival and care

Faq · version 17 · updated 2026-10-24

Plants may arrive with a few yellowed leaves after travel; this is normal and usually recovers within two weeks. Unpack plants within 24 hours of delivery, water lightly and place in bright indirect light.
